Dear Parents and Friends,

Thank you so much for your continued support! We appreciate each and every soup label and UPC code that you have sent in the past. To those of you that do not know, Elementary Department saves labels to get wonderful school items...typewriters, coolers, computers disks and a variety of other things. We cannot do this without your continued support. Below you will find a picture of the items that we save and the part of the label that we need for you to send in. Please post in your cabinet to help you remember to save that label!!!

Campbell's also offers bonus items from time to time. I will be sending that information home as soon as I receive the information from the company.

Once again, THANK YOU!!!

Becky Philhower, Elementary Department
